Mission Sunday Celebration

Society for the
Propagation of the Faith
Diocese of Lansing
October 11, 1973

Dear Father:

Mission Sunday this year is Oct. 21st throughout the world. Once again it will provide the opportunity to show our love and interest in the Missionary Church. Last year, the 150th anniversary of the Society for the Propagation of the Faith, Catholics of the Lansing Diocese gave $167,186.88.

Surely, this appeal is most loved by our people. Nor would that be possible without the support and love of the parish priests. This revenue is disbursed in its entirety each year. The General Fund provides some 800 dioceses with their "daily bread" - an annual subsidy in the neighborhood of $20,000. Without that, the church could not continue to exist in many areas. Countless other grants are given for seminaries, catechists, hospitals, and so on. The personnel is there and waiting. Their support can only come from us at home who have been blessed with the faith. Without it, the privilege of knowing Christ and His love will be denied to countless thousands.

When we say thank you for your support, we are speaking not only for 135,000 missionaries, but for thousands more who will benefit from your help. May our Lord thank and reward you in a truly fitting way.

Sincerely,
Father John Weber,
Diocesan Director

CIRCLE OF LIFE bracelets and RIGHT TO LIFE stationery will be sold after all Masses today.

IN THE PEACE OF CHRIST

The Mass of Christian Burial was celebrated for two deceased parishioners:

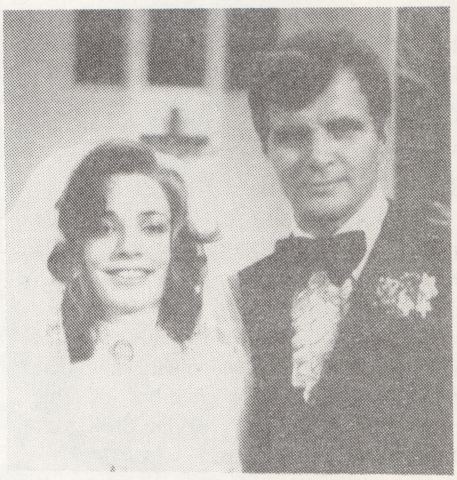
Theodore Schiska, age 71, died Oct. 7, 1973 in Beyer Hospital. Fr. Philippon celebrated the Funeral Mass on Wednesday, Oct. 10, 1973. Burial followed in St. John's Cemetery. One son, Richard, survives.

William A. Fisher, age 19, died suddenly in his home, Oct. 11, 1973. The Mass of Christian Burial was celebrated by Fr. Harvey on Monday, Oct. 15, 1973, in our church. Burial followed in St. John's Cemetery.

Bill is survived by his mother and father and four sisters: Theresa, Sylvia, Christine and Vicki. One brother preceded him in death last year.

May they share the peace of the risen Lord.

PARISH NUPTIALS



Mr. and Mrs. James Warner

On Saturday evening, Oct. 13, 1973, James H. Warner and Sharon A. McGinley exchanged their solemn vows of marriage during a Nuptial Mass concelebrated by Fr. Harvey and Fr. Kerner.

The groom is the son of Mr. and Mrs. James F. Warner of 2018 McKinley.

The bride is the daughter of Mr. and Mrs. Bernard P. McGinley of 1709 Collegewood Drive.

Witnesses to the vows of marriage were Donald Draper of Saline and Mrs. Ronald (Maureen) Peeper of Ypsilanti.

John Thomas served as the commentator and lector of the Mass. Bea Johnson of Milford was the soloist accompanied by Melvin Light.

We join many others in extending our prayer-filled and joyful wishes for many years of happiness in the new life Jim and Sharon have promised to build together.

"It is not our first solemn words but rather, the exhaustion of our hearts in love which makes us faithful."

RIGHT TO LIFE SUCCESS

There are so many people to thank for the success of the Right to Life Potluck Picnic and Auction! We are grateful to God for turning a miserable, rainy day into a perfect one. The Cicirelli Family is next on a long list. Their farm was a great location and we appreciate the work involved in clearing the barn, etc.

It took the efforts and donations of so many people to make the day a success. We are grateful to each one who helped. $325.43 was realized. We also sold all of the Right to Life bracelets and will have more to sell today & from now on in the rectory.

RELIGIOUS EDUCATION CLASSES TEACHER NEEDED

The sixth grade class on Wednesday, at 4:30, still has need of a teacher. Please give this matter serious consideration. Religious Education is the responsibility of the Christian community. It cannot take place without the support and help of all its members.

Monthly planning sessions will take place as well as other in-service opportunities. Please give this matter serious, prayerful reflection. Certainly more of us are called to share the gift of teaching. The Lord can do "so much more than we can ask or imagine." It is His work, he will give the strength.

Please contact Sr. Sheila at the Center, 483-6378, if you can assume this service.

January 22 Outcome

The Jan. 22 decision of the U.S. Supreme Court turned thumbs down on the lives of the unborn and has set the stage for so massive a killing that it will pale Herod's slaughter of the innocents.

As a consequence of the high court's callous decree it is estimated that 1.5 million unborn children will be killed within the next year. The court's decision must be viewed as a moral catastrophe.

The essence of the 7-2 decision, written by Justice Harry A. Blackmum, is that the convenience, whim or caprice of the mother has more value than the life of the unborn child. This is the incisive analysis made by Justice Byron R. White who dissented vigorously.

The Court decreed that in the first three months of pregnancy an abortion decision must be left entirely to the woman's desire and her doctor's medical judgment. No state law may intervene.

In the second three-month period states may legislate to insure medically safe abortion procedures but may not stop obortions.

In the final three months of pregnancy the state may act to protect the rights of the unborn child, but still may not halt an abortion judged medically necessary to preserve the "life or health" of the mother. A 1971 court decision interprets "health" to mean both physical and emotional health.

WHAT YOU CAN DO

Presently there are a number of amendment proposals in both houses of Congress. Among them is the Buckley amendment in the Senate and the Hogan amendment in the House of Representatives.

You can pledge a continuing correspondence with your U.S. congressmen and senators beginning with a specific request that open hearings be held in both the U.S. Senate and House on the Buckley and Hogan amendments. Make it clear that a state's rights amendment is unacceptable to you. When you hear from your man, write back ask him to clarify his meaning if it is not clear, or thank him if he agrees with your request and promises to carry it out. This continual correspondence cannot be over-emphasized. Please write!

In addition to this RTL needs you to promote the respect for life. RTL bracelets and notecards are a positive display of your support but also all the money from the sales will be used to promote the pending Human Life Amendment.

If you can give of yourself, join your local pro-life group. Write: Washtenaw County RTL Box 1853, Ann Arbor, Michigan 48106.

Robert P. Griffin, 6221 Senate Office Bldg., Wash., D.C. 20510

THE ONLY THING NECESSARY FOR THE TRIUMPH OF EVIL IS FOR GOOD MEN TO DO NOTHING. E. BURKE

We must move toward creating a society in which material pursuits are not the primary goal of our lives. True quality in our society will be attained when no child is hungry or neglected; when even defective children are valued because they call forth our power to love and serve; when every woman who is distressed by a pregnancy is offered compassionate counseling and given positive assistance. Instead of destroying life, we should destroy the conditions which make life intolerable.

DID YOU KNOW about RELEASED TIME RELIGIOUS EDUCATION HIGH SCHOOL PROGRAM? 1973-74

A program of released time religious education for Huron and Ypsilanti High Schools for students in grades 9 through 12 is now in progress. Area Religious Education will replace the former high school C.C.D. programs.

WHY A.R. ED.
Michigan Law makes provision for religious education for public school students in Act 270 PA 1964, Sec. 732 (g). Through an annual request parents may substitute religious education to replace up to 120 minutes of instruction in other subjects once each week. Religious instruction classes must be held on public school property.

SUBSTITUTE INSTRUCTION
Students on released time are not missing instruction time, but substituting religion instruction for English Lit., History or whatever, once every two weeks because of a rotating schedule in A.R. Ed.

In the A.R. Ed. program religious education is on a rotating schedule, replacing a given secular subject only about twice a month: one week students attend A.R. Ed. from 9:30 to 11:30, the alternate week from 11:30 to 1:30.

A.R. Ed. Classes will be held at St. Thomas High School. Transportation from public school to St. Thomas and back is provided by St. John's.

The A.R. Ed. Office, through its full time coordinator and Sr. Anne Heath, has already made arrangements with the public school superintendent and the principals. Principals and Student Services personnel have informed classroom teachers. Counselors have assisted students with schedule adjustments.

Fr. Matthew J. Fedewa, Sr. Mary O'Connell and Sr. Patricia O'Toole teach the students from St. John's, Holy Trinity Chapel and St. Ursula's Parishes.

The curriculum has been developed over the past six years. It is based on the physiological age of the student, taking into account the liturgical seasons and feast days, the time of the year, etc. The full four year curriculum is available for your study upon request.

INFORMATION
Fr. Matthew J. Fedewa is the A.R. Ed. coordinator. For more information call 761-7656 or Sr. Anne Heath, 483-6378.
